

DTRA CONTRACTS SMALL BUSINESS INOVATIVE RESEARCH (SBIR) INFORMATION SITE

This DTRA Contracts SBIR SITE is a “In the Know” data sharing, Q&A, or fast facts to assist the Small Business Innovative Research (SBIR) Contractors or any company new in dealing with the Government. The intent is to provide data at the finger tips of new awardees so that they are more self-sufficient in dealing with types of contracts, WAWF payment process, and who can help if they have a problem.

➤ *Contract Data-*

• **Contract Types**

○ **Firm Fixed Price (FFP) –** always used in Phase I, can be used in Phase II

1. Contract is NOT subject to adjustment on the basis of contractor’s cost experience.
2. Firm pricing arrangement established by parties.
3. Performance risk on the contractor.

○ **Cost Reimbursable (Cost Plus Fixed Fee – CPFF)**

1. Payment of Allowable incurred costs to the extent provided in the contract.

DTRA CONTRACTS SMALL BUSINESS INOVATIVE RESEARCH (SBIR) INFORMATION SITE

2. Used only when uncertainties involved in contract performance do not permit costs to be estimated with sufficient accuracy to use any type of fixed-price contract.
 3. Use prohibited for commercial items.
 4. Use only when contractor has an acceptable accounting system and Government surveillance during performance will reasonably provide assurance of cost control.
 5. Shared performance risk.
